

Small clouds: 4.8 inches wide

Medium clouds: 6.5 inches wide

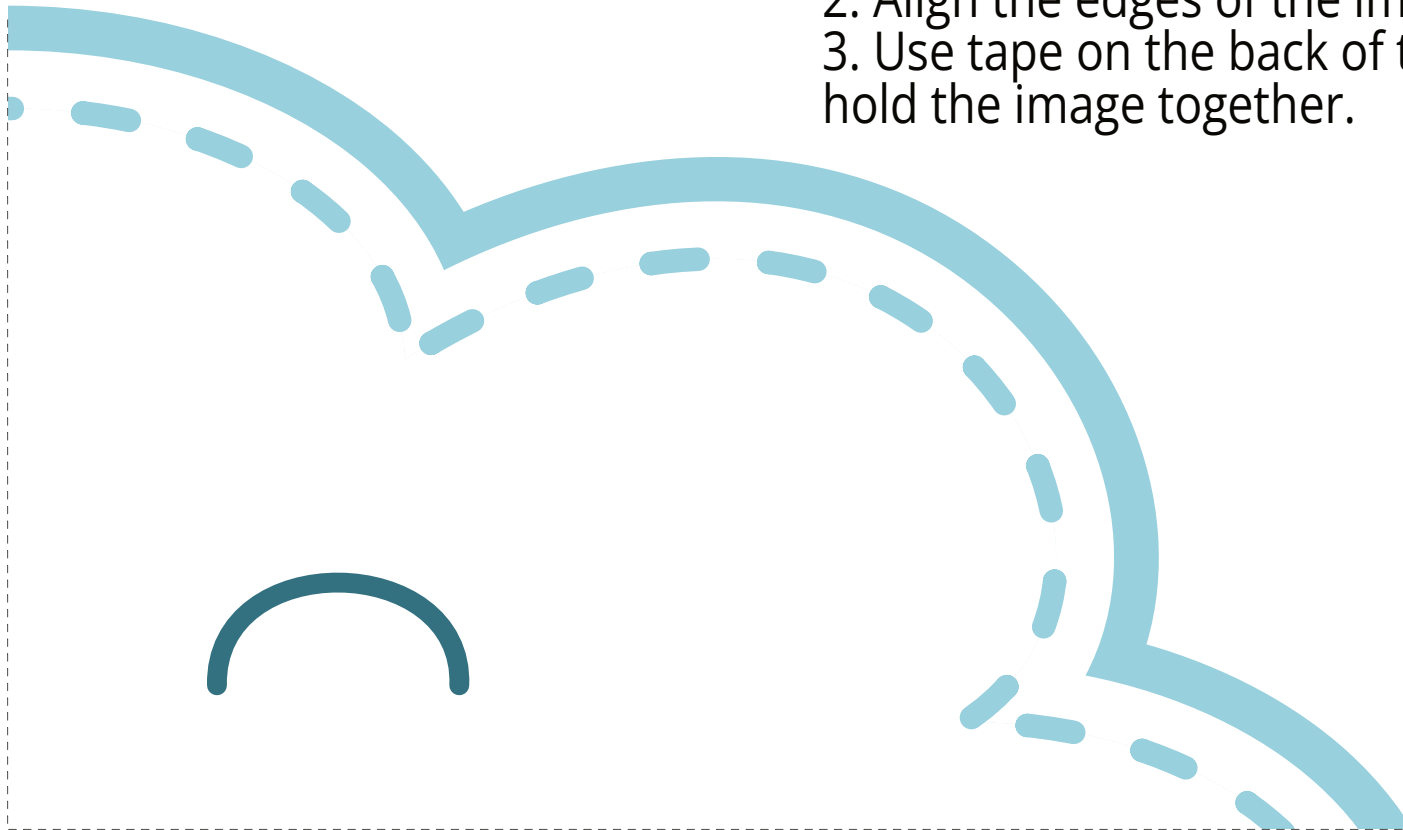

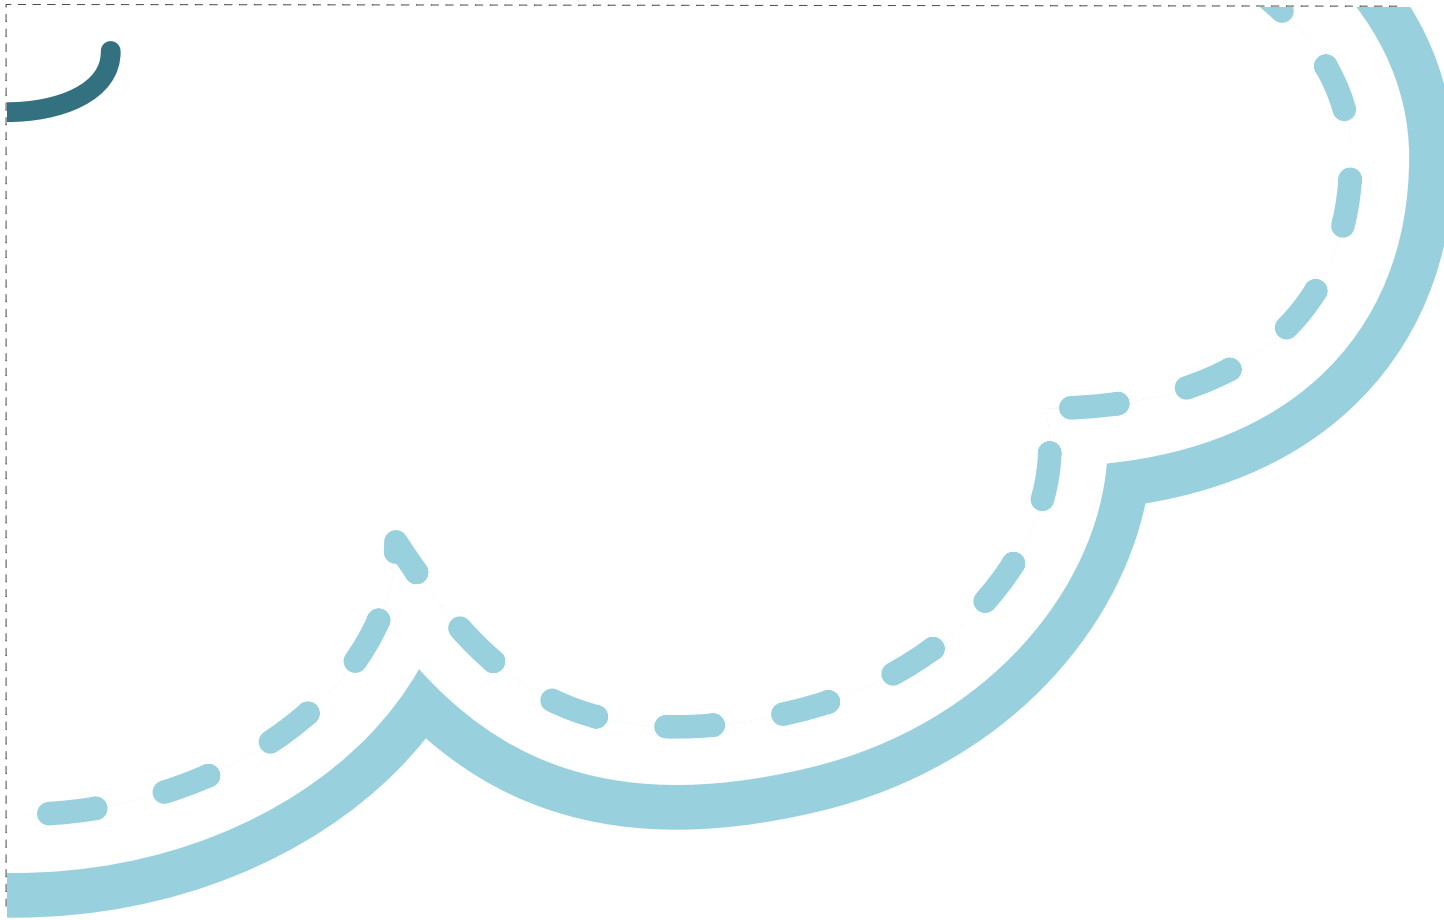

Large clouds: 10 inches wide

X-Large cloud: Page 1 of 4
(15 inches wide completed)

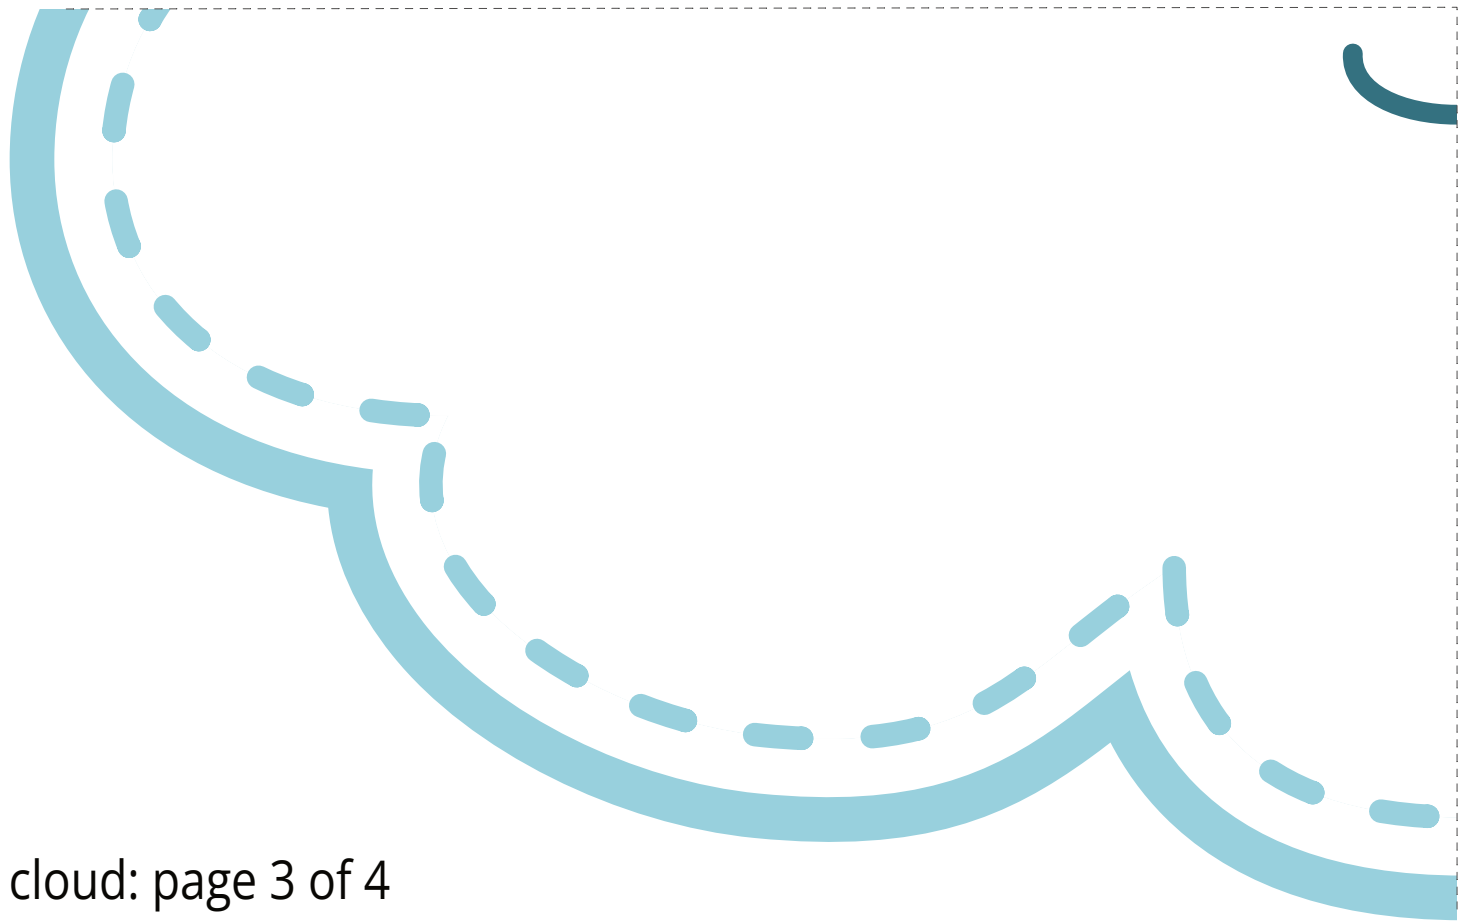

Instructions:

1. Cut out all 4 pieces along the outer blue edge of the image and the black dashed edge (where the pieces will meet).
2. Align the edges of the image.
3. Use tape on the back of the pieces to hold the image together.

X-Large cloud: page 2 of 4

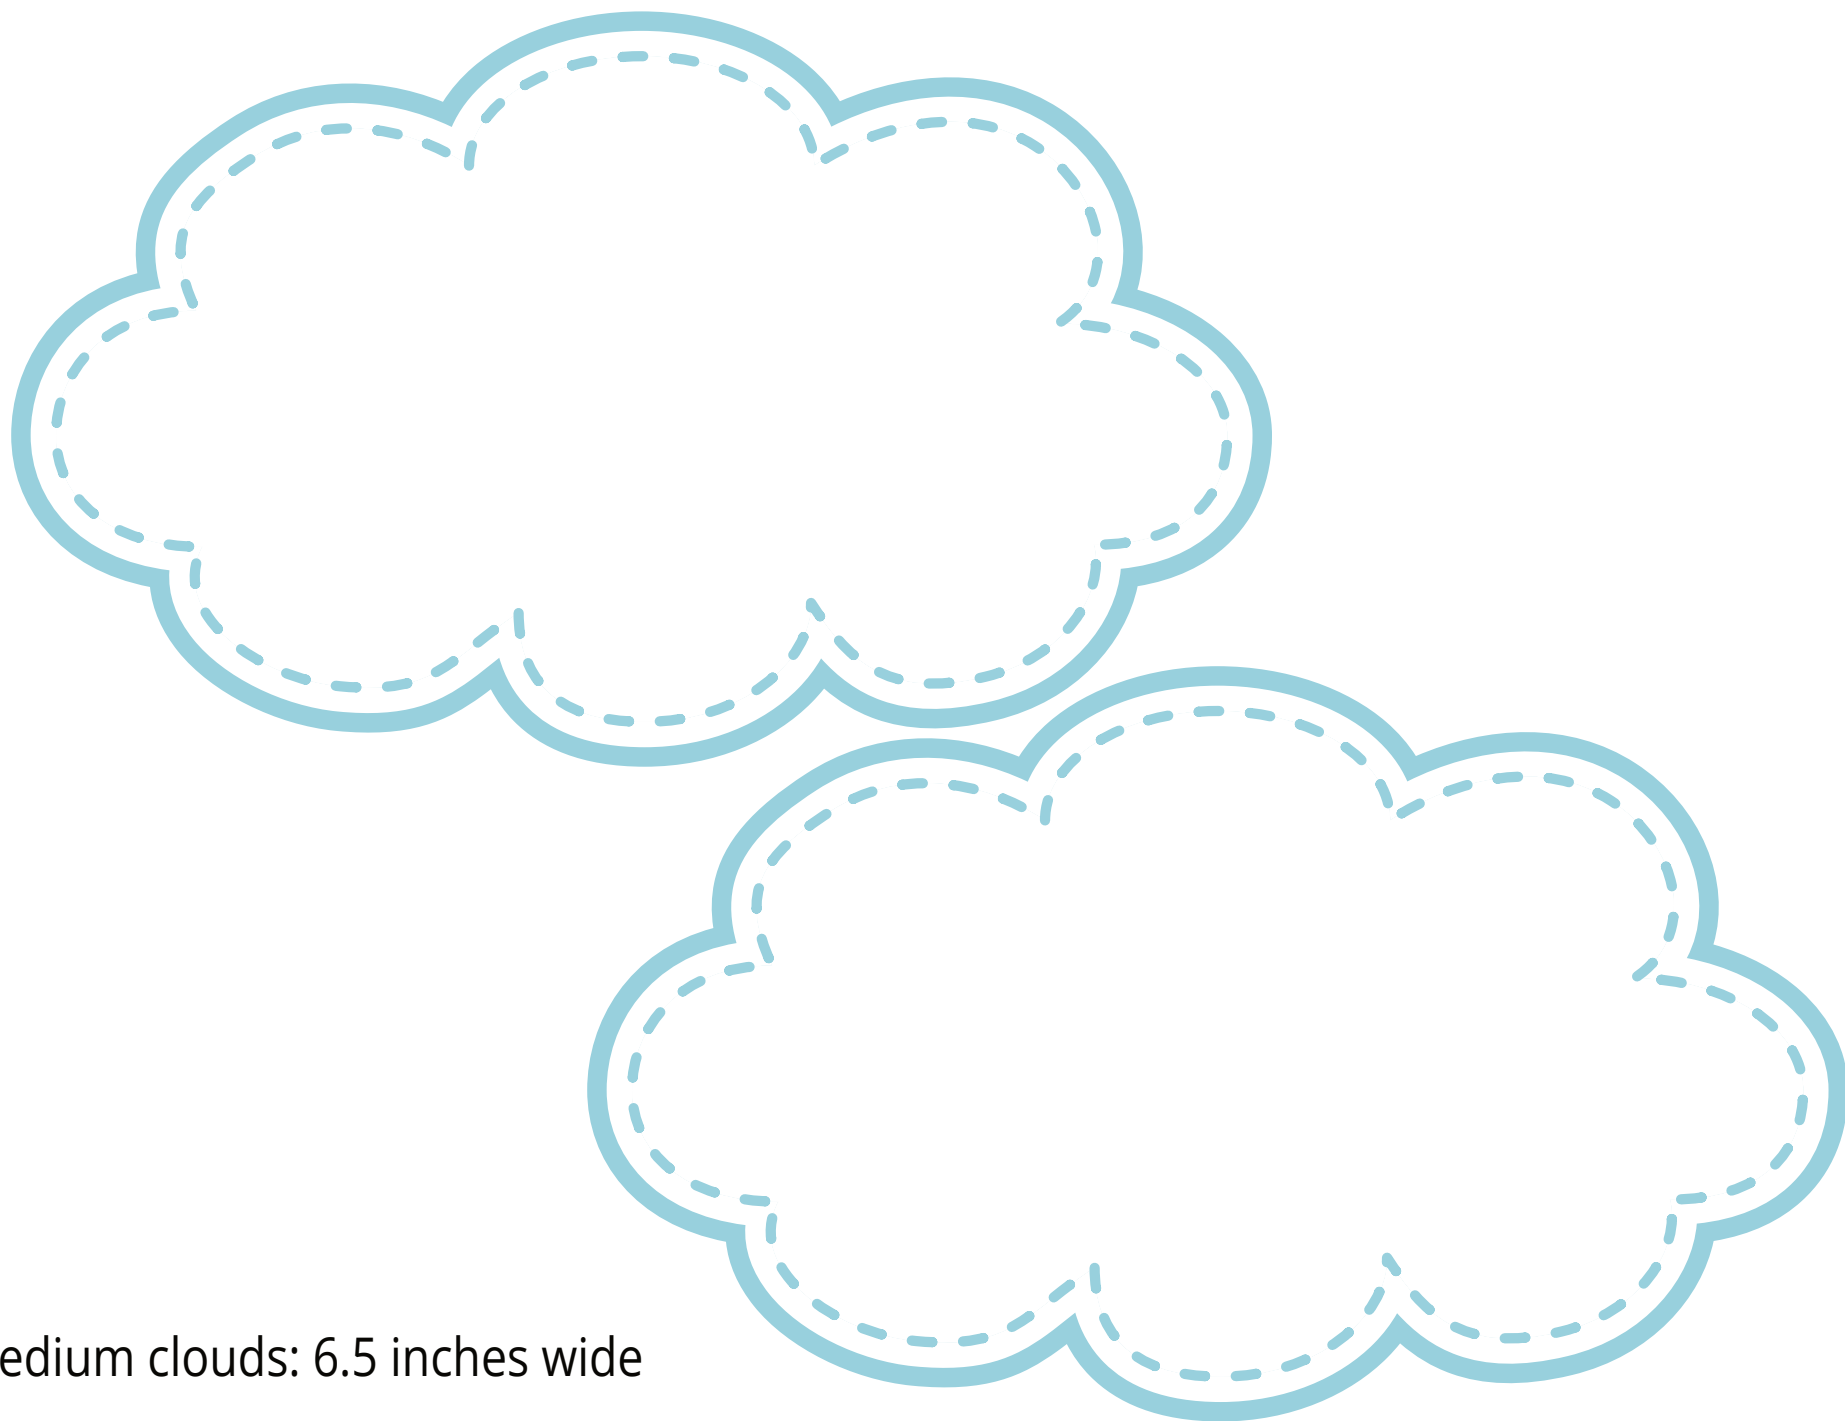

X-Large cloud: page 3 of 4
